Introduced by Sen. HANNON -- read twice and ordered printed, and when printed to be committed to the Committee on Judiciary

AN ACT to amend the real property law, in relation to cooperative purchase applications

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings. The legislature hereby finds and declares that residential cooperative purchasers are subject to processes and conditions that do not also apply to purchasers of other single family residences. The legislature also finds that these processes and conditions, at a minimum, give the appearance and have the potential to be misused to illegally discriminate against a purchaser of cooperative housing. Because this state strongly opposes all illegal discrimination and promotes fair housing laws and regulations, it is essential that the process for purchasing a cooperative dwelling include additional safeguards to protect against illegal discrimination. This act is not intended and does not diminish the duty of cooperative boards to uphold their established fiduciary duties. This act will significantly improve the transparency of the cooperative purchase process to the benefit of all parties involved in the transaction.

S 2. The real property law is amended by adding a new article 11 to read as follows:
