15 the sale, rental or lease of a housing accommodation, constructed or to be constructed, or an interest
16 therein, or any agent or employee thereof, or any real estate broker or agent or employee thereof
17 to:

21 record or criminal history information contained in such report.

22 c. Nothing in paragraph b shall restrict a covered entity from taking any lawful adverse
23 action against a current occupant for reasons other than a person's arrest record or criminal history,

1 including the person's acts of physical violence against persons or property on the premises and
2 other acts that would adversely affect the health, safety, or welfare of other residents, or excuse a
3 covered entity from complying with applicable laws relating to victims of domestic violence, sex
4 offenses or stalking.

5 d. Paragraph b shall not apply to the following:

6 (1) Actions taken by a covered entity to exclude a person from a housing accommodation
7 based on the person's arrest record or criminal history where such exclusion is required pursuant
8 to any federal, state, or local law or rule or regulation, provided that the covered entity shall provide
9 the person a citation to the law, rule or regulation that requires such action.

10 (2) Actions taken by a covered entity pursuant to any federal, state or local law or rule or
11 regulation that requires criminal background checks for housing eligibility, provided that prior to
12 taking any adverse action that is not required by such law, the covered entity shall comply with
13 paragraphs e and f; and

14 (3) Inquiries into the New York sex offense registry maintained by the state division of
15 criminal justice services pursuant to section 168-b of the correction law, or adverse actions taken
16 by a covered entity against a person listed publicly on such registry, provided that prior to taking
17 any adverse action that is not required by such law, the covered entity shall comply with paragraphs
18 e and subparagraphs (1) and (2) of paragraph f.

19 e. *Notice of inquiry.* Except where providing notice would conflict with a requirement of
20 federal or state law, rule or regulation, prior to any inquiry into, gathering of, or use of criminal
21 history information a covered entity must:

22 (1) Notify an individual in writing of the inquiry; and

23 (2) Provide the individual a reasonable amount of time to withdraw their application for

1 housing, not to exceed three days.

2 f. Fair housing process. Except where following this process would conflict with a
3 requirement of federal or state law, rule or regulation, after providing notice, and prior to any
4 adverse action based on arrest record or criminal history, the covered entity shall provide:

5 (1) A written copy of the inquiry on which the intended adverse action is based and allow
6 the person a reasonable amount of time of at least five business days, during which the covered
7 entity must hold the housing unit open, to dispute the accuracy of the inquiry and respond with
8 rebutting or mitigating information prior to the denial of the person's housing application.

9 (2) A copy of supporting documents that were reviewed, and a statement of the legitimate,
10 non-discriminatory interest of the covered entity in protecting property and the safety and welfare
11 of others;

12 (3) A copy of the analysis and the covered entity's reasons for intending to take adverse
13 action against such person in a manner to be determined by the commission, identifying which of
14 the following fair housing factors were taken into account:

15 (A) The time that has elapsed since the date of the offense;

16 (B) The age of the individual at the time of the offense;

17 (C) Evidence of good tenant history;

18 (D) Any additional information produced by an individual or on their behalf, in regards to
19 their rehabilitation or good conduct, including but not limited to history of conduct in the
20 community;

21 (E) The seriousness of the person's offense; and

22 (F) The legitimate interest of the owner in protecting property, and the safety and welfare
23 of specific individuals.

1 g. The requirements of paragraphs e and f shall be satisfied where a covered entity follows
2 a substantially similar process under federal, state or local law, regulations or rules that provides
3 notice and an opportunity for the person to submit rebutting information before the actual denial
4 of a housing accommodation.

5 h. Paragraph b shall not apply to the sale or rental of:

6 (1) A housing accommodation, other than a publicly-assisted housing accommodation, in
7 a building that contains housing accommodations for not more than two families living
8 independently of each other, if the owner or members of the owner's family reside in one of such
9 housing accommodations; or

10 (2) A room or rooms in a housing accommodation, other than a publicly-assisted housing
11 accommodation, if such rental is by the occupant of the housing accommodation or by the owner
12 of the housing accommodation and the owner or members of the owner's family reside in such
13 housing accommodation.

14 i. To the extent permitted by law, a covered entity's compliance with this subdivision shall
15 not constitute a basis for liability under other laws.

16 § 2. This local law shall take effect 200 days after it becomes law, except that the
17 commission may take such actions as are necessary to implement this local law, including the
18 promulgation of rules, before such date.
